Mr. Daniels asked if the Liquor agent could go around to the licensed establishments to see who is and isn’t open at this point. There was also discussion to send letters to those establishments that still have not picked up their licenses. Those establishments would be asked to provide information as to why they were not open, as the regulations state, by the next scheduled meeting or to come to that meeting to discuss why they were not open as of yet. It was also discussed that if they do not open, the board would begin proceedings to have hearings regarding those licenses.

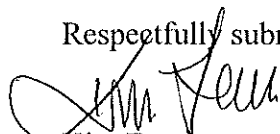

The board also discussed the Golden Greek restaurant. The owner recently passed away and they will need to make changes to the license as it currently stands. The board suggested a letter be sent to the family with this information.

There was also discussion regarding letters being sent to all package store owners for the next meeting to discuss “nips” and the content of those letters. Letters will be sent to all stakeholders.
