

General Government
Minutes for 3/20/23

1. Attendance: Clrs Gus Steeves, Jackie Ryan; Cit Mem Martena Shea, Denise Clemence. Various others.

2. Minutes of 3/8/23: Not complete; postponed.

3. Health/Dental Blue Cross renewal: Steeves said he spoke to Ms Robaina earlier today and read her comments to everyone. Nobody had questions; Motion to recommend approval: Ryan/Clemence; approved 4-0.

4. Health/Dental Medicare renewal: Same info applied to above; Shea abstained because she participates in it. Motion to recommend approval: Clemence/Ryan; approved 3-0-1.

5. Policy discussion: Clemence said she felt the agenda wasn't specific enough (i.e. didn't state what policies we'd take up today) and we generally agreed we should list them clearly since some will spark specific interest and/or affect other committees. Steeves said he intended this to be somewhat general to get a feel for future more detailed discussion and changes, prompted by Clr Adams' bringing up outdated policies at recent council meeting. Members agreed to take them largely in order and look at couple at a time. Clemence noted some policies the future permanent manager might want to address. Motion to postpone to future meeting: Ryan/Shea; approved 4-0.
